ABOUT ME

- 5+ years managing Amazon PPC across 100+ brands in US, UK, CA, UAE, and EU marketplaces; \$13M+ in revenue influenced across Sponsored Products, Sponsored Brands, and Sponsored Display
- Holistic, diagnosis-first approach: full account audit before touching any bid; checks retail-readiness, listing health, and conversion drivers before scaling traffic
- Experienced managing multiple clients and large SKU portfolios simultaneously across global Amazon markets; proficient in Helium 10, Data Dive, Perpetua, and Scale Insights
- Fun fact: I'm learning AI Engineering to build smarter data tools for Amazon PPC, and documenting the process in public at garretos.github.io

PROFESSIONAL EXPERIENCE

Independent Amazon & Walmart PPC Analyst - Freelance; Remote

Nov 2020 – Present

- Managed PPC accounts across US, UK, CA, UAE, and EU marketplaces with full campaign ownership from audit to bid optimization across SP, SB, SD, and SBV ad types
- Scaled a US health and personal care brand from \$44K to \$370K+ monthly revenue across six Amazon marketplaces (US, UK, DE, ES, IT, FR) in 18 months; \$3.19M total revenue, 16.77% blended TACoS, 3.09x blended ROAS
- UAE health and wellness account: grew weekly PPC sales from around AED 2.5K to AED 20K+ over 24 months; earned Amazon's Choice badge; TACoS held at 12% despite low keyword search volume
- Built structured campaign architectures separating branded, competitor, and discovery traffic; generated detailed data-driven performance reports with strategic insights for each client

TNT Ecommerce Inc. - Amazon PPC Analyst; Calgary, Canada (Remote)

May 2024 – Aug 2025

- Managed CPG and food brands across US and Canadian marketplaces; grew a food brand from \$23K to \$95K monthly revenue with TACoS as low as 7.5%
- Turned around a health and nutrition brand at 42% TACoS: rebuilt bidding strategy in one week, almost doubled revenue to \$126K+ monthly, brought TACoS to 15.8%; delivered aggressive growth and profitability mandates for the same account
- Co-authored business intelligence presentations to pitch and close new clients, including an established Canadian food brand

Seller Interactive - Amazon PPC Manager & Team Lead; Markham, Canada (Remote)

Aug 2021 – Sep 2022

- Promoted to Team Lead within months; directly managed 12-15 PPC specialists, conducted training for the entire 50+ person department, and oversaw 100+ accounts with \$800K+ monthly ad spend; delivered ~\$5M in total revenue within 8 months
- Built and rolled out a department-wide campaign creation and bid optimization system; trained Account Management on reading and communicating PPC data to clients
- Regularly handled client escalations by diagnosing root causes beyond PPC, including listing and conversion issues, turning at-risk accounts into retained clients
